## 2023 LGA Aquatic Vegetation Survey Aug 15 – Oct 31, 2023

We are already beginning to plan for our 2023 Aquatic Vegetation Survey. This year we will be starting on August 15<sup>th</sup>. The objective is to document aquatic vegetation, both good and bad along the entire 350 miles of shoreline.

This survey is an extremely important tool that determines how to keep Lake Gaston healthy for swimming, boating, fishing, and recreational enjoyment. Please consider volunteering only 4 to 6 hours on any day(s) of your choice between August 15<sup>th</sup> and October 31<sup>st</sup> to help with this effort. It's definitely the best time of the year to be on the lake and a valuable contribution to keeping Lake Gaston a great place to live, work, and play!

**\*\* Please refer to page 5** of this bulletin for more details on what's needed as a volunteer.

\*\*\*\*\*

### August 2, 2023 - Evening Membership Meeting

**Watersview Restaurant: (Downstairs) 2107 Eaton Ferry Road, Littleton**

**5:30 pm - Social / Cash Bar**

**6:00 pm - Dutch Treat Dinner - \$25.00 per person**

Ribs, Chicken, Green Beans, Mashed Potatoes, and Rolls – includes tax, tip, and non-alcoholic beverage

**Speaker: Adam Fields – AF Wake**

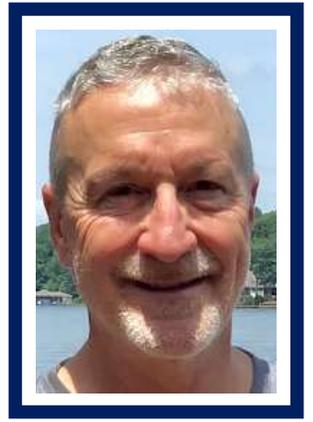

**Topic: Respectful & Safe Water Sport Operations on Lake Gaston**

**\*\* Please RSVP by Wednesday, July 19, 2023,** to [anne@pesanteclose.com](mailto:anne@pesanteclose.com) or call (301) 885-6592 **\*\***

**\*\* Please refer to page 7** of this bulletin for more details...

## *President's Corner...*

Why Lake Gaston?

The conversation usually goes... Hey, how are you? Then it continues till eventually, you ask, Why Lake Gaston?

Everyone has at least two or three reasons why they are here at Lake Gaston. Whether it is for a visit, a holiday, or setting down roots. It is always interesting to hear how folks came to discover and enjoy the lake.

What can be even more interesting is why they choose to come back, or better yet, stay. Is it for the great water sports or the mild year-round weather? Is it possible because friends and family are here? Could it be the great clean water, fishing, or the scenic views?

Whatever it is, we all share one thing in common. We enjoy this wonderful natural resource.

The LGA works for you by engaging with local governments, promoting safety, and advocating to keep the lake clean and healthy. Please consider volunteering some of your time so we can keep Lake Gaston a great place to live, work, and play.

***Jeff Zimmer***

***President***

[President@LGAncva.com](mailto:President@LGAncva.com)

## ***July 12, 2023 – LGA Monthly Membership Meeting***

**9:30 a.m. at the Lake Gaston Baptist Church: 2378 Eaton Ferry Road, Littleton**

(across the street from the Lake Gaston Chamber of Commerce and Subway Restaurant)

**Speakers: Wyatt Andrews ~ Lake Gaston Water Safety Council**

and

**John Dyckman & Joe Gagliano ~ USCG Auxiliary LKG Flotilla 054-9-3**

**Topic: Playing it Safe on Lake Gaston**

Our meetings are open to the public, members, and non-members alike, so feel free to gather your friends and neighbors and join us. For more information, please email us at [execdir@LGAncva.com](mailto:execdir@LGAncva.com) or call (252) 586-6577.

## ***Lake Environment Committee...***

### **Habitat Enhancement Project**

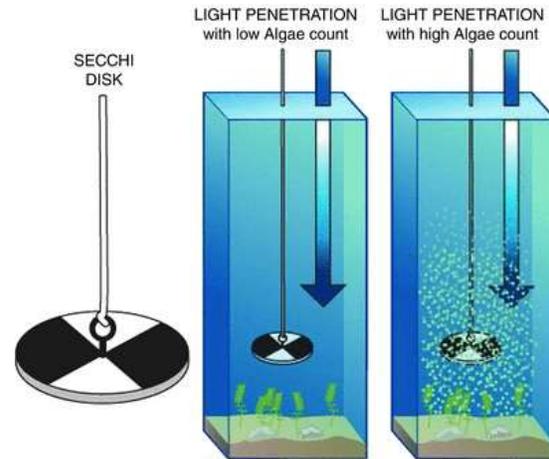

About the time this bulletin reaches you, your Lake Environment Committee (LEC) will lead volunteers to conduct our annual Habitat Enhancement work. At approximately 10 different sites on the lake, we planted native aquatic vegetation and repaired protective exclosures (helps keep grass carp and turtles OUT) to improve fish and wildlife habitat, displace invasive species and improve water quality. This is a cooperative effort with our State Wildlife Agencies and NCSU, funded by the Lake Gaston Weed Control Council.

In addition to Habitat Enhancement, the LEC works to maintain Lake Gaston's great water quality by:

## Measuring and Recording Water Clarity Data at Several Locations

One indicator of lake health is water clarity. Water clarity is important because it controls how far light penetrates into the water column. This determines where and how well aquatic plants can grow, with implications for fish (and other wildlife) that depend on these plants for oxygen, shelter, and a food source.

## Pulling Water Samples and Testing for the Presence of E.coli

We are now focusing on tributary creeks. Your LEC will pull samples and conduct tests on these “feeder” streams and creeks once water temperatures warm above 75 degrees F.

If you are aware of a potential E. coli issue, i.e., failing septic system, concentration of geese, or other animals, contact us for test kits. The Water Quality experts tell us that frequent sampling is required for valid results.

## Monitoring Erosion and Sediment Control Practices

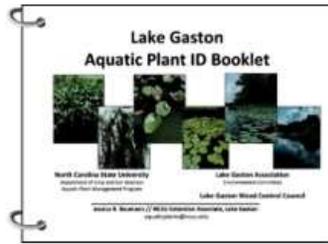

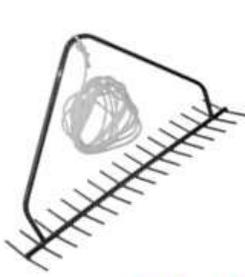

The Committee is notifying the proper authorities where we have seen insufficient erosion and sediment control measures. Building sites frequently involve land disturbance in close proximity to the lake. These sites must be stabilized with plantings and/or silt fences to prevent erosion and sedimentation, resulting in runoff into the lake. Sediment is a form of pollution that negatively impacts water quality.

## Plan and Begin our Annual Lake Vegetation Survey

A lot of work goes into this annual effort. This year we hope to make several improvements in where and how the survey is conducted. Hopefully, the use of external GPS with the tablets and a kayak “strike team” to work shallow water areas will also improve results. Sign up to help with this important effort at <https://forms.gle/JaBqTo7bqcqHaBDk9>.

# 2023 Annual Lake Gaston Vegetation Survey

## ***Volunteers Needed!!***

We hope you will consider volunteering for this event, and the best part is that you can choose any day(s) and any time(s) between August 15<sup>th</sup> and October 31<sup>st</sup> to help with this project. This is an extremely important mission, and we need everyone's assistance to document the aquatic vegetation, both good and bad, along the entire 350 miles of shoreline – and yes, it all needs sampling. This survey is an important tool that determines how to keep Lake Gaston healthy for swimming, boating, fishing, and recreational enjoyment.

### ***To Volunteer:***

1. Please plan for this to take **only Four (4) to Six (6) hours** of time on the lake, on any day(s) and any time(s) of your choosing, between August 15<sup>th</sup> and October 31<sup>st</sup>, using a boat, kayak, or jet ski.
2. The shoreline is divided into survey sections; volunteers can choose a section that is close to home.
3. Equipment to be provided:
  - a. Handheld electronic tablet for data collection.
  - b. Double-sided throw rake.
  - c. Plant ID booklet that will help identify the plants you will encounter.
  - d. Training is provided by several online videos that explain the vegetation survey in detail & provide tips for aquatic plant identification. There will be people available for questions.

***Students! Upon request, you will get a letter from NCSU  
acknowledging your volunteer hours!***

## Horned Pondweed Identified at Lake Gaston – Spring 2023

Recently a submersed aquatic plant, *Zannichellia Palustris* horned pondweed, was found at Lake Gaston. The plant was first noticed in several locations on Lizard Creek in late winter/early spring. It was positively identified by NCSU staff after the LGWCC received a request for assistance from a Lake Gaston resident regarding the presence of an unknown aquatic plant in their cove.

Horned pondweed has not typically been identified in Lake Gaston as it tends to be more of a northern species. It is an underwater grass that can be found in both freshwater and slightly brackish water. Migratory waterfowl will feed on the plant, and it's considered a beneficial species according to NCSU. At Lake Gaston, it was noted in shallow shoreline waters, 1-3 feet in depth, and in locations where *Chara*, a native algae, has been found in abundance in recent years. When viewed in the water, horned pondweed can sometimes be confused with other vegetation.

At this time, it's expected that the horned pondweed will likely die off as water temperatures increase and other aquatic plants, such as *Chara*, start to flourish. No additional action is recommended at this time. The LGWCC, LGA, and NCSU are aware of its presence in the lake and the annual vegetation survey will help determine if the species continues to be present at Lake Gaston in the future.

The Lake Environment Committee meetings are held on the third Wednesday of each month at 8:30 AM at the Lakeland Cultural Arts Center, 411 Mosby Avenue, Littleton, NC 27850, in Studio B. (Please park and enter from the rear of the building – use the LCAC Actor's Studio Entrance – Studio B is the second door on the left-hand side after you enter the hallway.)

Interested in being part of the Lake Environment Committee? We welcome your involvement. Contact John Franz at [franzie500@gmail.com](mailto:franzie500@gmail.com).

## August 2, 2023 – LGA Monthly Membership Meeting

**Watersview Restaurant (downstairs):**

**2107 Eaton Ferry Road, Littleton, NC 27850**

**\*\*\* Evening Meeting \*\*\***

**5:30 pm - Social / Cash Bar**

**6:00 pm - Dutch Treat Dinner**

**\$25.00 per person**

Ribs, Chicken, Green Beans, Mashed Potatoes, and Rolls –  
includes tax, tip, and non-alcoholic beverage

**Speaker: Adam Fields – AF Wake**

**Topic: Respectful & Safe Water Sport Operations on Lake Gaston**

If you are planning to attend this exciting August 2<sup>nd</sup> evening meeting,  
please plan to bring cash or a check in the amount of \$25.00  
to the July 12<sup>th</sup> Monthly Membership Meeting at 9:30 am  
at the Lake Gaston Baptist Church –

\*\* Please deliver all payments directly to Anne Wood, LGA Treasurer.

You are also welcome to mail us a check in the amount of \$25.00 to the

**Lake Gaston Association**

**P O Box 656**

**Henrico, NC 27842**

**\*\*\* All Reservations Must Be Paid In Advance and we must receive your payment  
no later than July 19<sup>th</sup> to attend this meeting \*\*\***

We will also confirm all paid reservations upon receipt via email or a phone call.

**\*\*\* Please RSVP by Wednesday, July 19, 2023, to  
[anne@pesanteclose.com](mailto:anne@pesanteclose.com) or call (301) 885-6592 \*\*\***

Our meetings are open to the public, members, and non-members alike,  
so, feel free to gather your friends and neighbors and join us.

## *Government Relations Committee...*

The Virginia County local elections will be held this year in November. While the State and National elections will also be in November, they have outside funding and many opportunities for exposure to the voting public. Most of them are also running in the Virginia primaries, which were held on June 20<sup>th</sup>. The local candidates who will not be running in the primaries were required to submit their paperwork to the county Registrar by June 20<sup>th</sup>.

## **CANDIDATES FORUM**

The three most important groups of these candidates for us LGA types are the County Board of Supervisors, County School Board, and County Sheriffs. We help these people (and the voters), by organizing and holding a Candidates Forum in each Virginia county. For us, that will be Brunswick and Mecklenburg. And soon, we will begin planning for the Virginia Candidates Forum for those who registered by June 20<sup>th</sup>.

We have decided to hold these forums in September, and I have made the initial contacts to reserve locations. There are still numerous plans that remain to be made, candidates to be contacted, and details to be nailed down. The Government Relations Committee will need help with this project, so please come out to our meetings and participate with us. The next project after that will be the Five County School Superintendents Forum in November.

The Government Relations Committee meetings are held on the third Tuesday of each month at 8:30 am at Lakeland Cultural Arts Center, 411 Mosby Avenue, Littleton, NC 27850, in Studio B. (Please park and enter from the rear of the building – use the LCAC Actor’s Studio Entrance – Studio B is the second door on the left-hand side after you enter the hallway.)

**John Cataldo**

**Government Relations Chairman**

[Committees@LGAncva.com](mailto:Committees@LGAncva.com)

(Please include “Government Relations Committee” in the subject line of the email)

### **September 6, 2023 – LGA Monthly Membership Meeting**

**9:30 a.m. at the Lake Gaston Baptist Church: 2378 Eaton Ferry Road, Littleton**

(across the street from the Lake Gaston Chamber of Commerce and Subway Restaurant)

**Speakers: Five-County Sheriffs**

**Topic: Staying Safe at Lake Gaston**

Our meetings are open to the public, members, and non-members alike, so feel free to gather your friends and neighbors and join us. For more information, please email us at [execdir@LGAncva.com](mailto:execdir@LGAncva.com) or call (252) 586-6577.

## Safety Committee...

We accomplished the 9<sup>th</sup> Annual Jack Saunders Memorial Shred Event on May 6, 2023. With the prospect of rain looming over the horizon, we in fact were met with sunny skies and a light breeze. Individuals started arriving around 9:30 to drop off their materials for shredding. The shred truck was a bit late, due to a vehicle accident and a delay at the Eaton Ferry Bridge. Nonetheless, we processed 97 vehicles during the three-hour event. We thank the Roanoke Wildwood Volunteer Fire Department for hosting us in the auxiliary parking lot. Since we flowed the cars through in a single direction, we easily kept pace so no individual had a long wait time to drop off their materials. Next year's shred event will again take place on the first Saturday in May.

Summer is here and life on the lake is busy. Visits by family and friends appreciate enjoying various activities and water sports on the lake. Let's have a safe summer by ensuring we use personal floatation devices and operate our watercraft in a safe manner. Since we have visitors and we live in a rural area, it is important to remind them how to call 911 for an emergency. The LKG 911 Community Task Force has accomplished a great deal of awareness on how a cell phone calling 911 may not get to the proper county call center. Knowing what number to dial and where you are located (street address, county, and state) are important to be shared. Getting your call to the correct call center will ensure assistance is dispatched in the timeliest manner. For more information, please visit their website <https://www.lkgtaskforce.org/>. We wish our visitors a great summer experience and a safe trip home at the end of their visit.

The Atlantic Hurricane season officially began on June 1, 2023, and will end on November 20, 2023. The mid-Atlantic season (our area) sees the most hurricanes in August, September, and October. North Carolina's coast is one of the nation's most vulnerable areas to a direct hurricane strike because its coastline extends out into the ocean. All areas of the state (from coastal and sound counties to the mountains) have been impacted by hurricanes in the past 20 years. This year, the forecast is predicted to be slightly below average.

	Prediction	Average
Named Storms	13	14
Hurricanes	6	7
Major Hurricanes	2	3

Now is the time to review your preparedness status in case a storm impacts our region. Some good steps include:

- Reviewing your insurance policy
- Assembling an emergency kit that is stocked with the right items
- Knowing where you will go if you have to evacuate and leave early
- Know how to turn off gas and electricity utilities to your home

For more information, please visit <https://www.redcross.org/>, [ready.gov](https://www.ready.gov), [ncready.gov](https://www.ncready.gov), or [vaemergency.gov](https://www.vaemergency.gov). These sites provide expert information on how to prepare for emergencies and are updated regularly.

The Federal Emergency Management Agency (FEMA) has developed a mobile application that allows you to receive real-time weather alerts, locate emergency shelters in your area, prepare for common hazards, and more. This is a free app that can be downloaded from Google Play (Android) or the Apple Store (iOS). This application allows the user the planning, protection, and recovery steps during a disaster. It is interactive and provides detailed in-depth information and assistance. You do not have to be a survivalist, prepper, or a scout to be prepared.

If you are interested in promoting safety, we would like you to become a safety committee member. We meet on the second Friday of the month to discuss our programs, initiatives and explore areas where we can promote safety with our partners; the Water Safety Council and the LKG 911 Task Force. We are always looking for fresh ideas to enhance safety in the Lake Gaston area.

The Safety Committee meetings are held on the second Friday of each month at 8:30 am at Lakeland Cultural Arts Center, 411 Mosby Avenue, Littleton, NC 27850, in Studio B. (Please park and enter from the rear of the building – use the LCAC Actor’s Studio Entrance – Studio B is the second door on the left-hand side after you enter the hallway.)

***Eric Wooster***

***Safety Chairman***

(Please include “Safety Committee” in the subject line of the email)

## ***Marketing & Membership Committee...***

First, let me start by saying thanks to the approximately 2,300 households and businesses who are active LGA members. Our renewal rate was 96% in 2022 which tells us you appreciate our efforts to keep this lake clean and safe. We have a small group of dedicated “worker bees” who continue to do the heavy lifting to man the Shred Event, habitat enhancement, manage the Candidate Forums during local election cycles, lake clean-up, use the Secchi Disc to measure water quality, use E. coli kits, etc. We have a larger group, many including some of the same faces who volunteer throughout the year, to participate during the fall months for the 350-mile annual vegetation survey.

Now comes the delicate part. I’m guessing we have another 5,000 households, whether they are full or part-timers or renters using their lake house as an investment and a source of income. If this lake were to be overrun by noxious weeds or nasty algae, what would happen to your property values?

For the newcomers reading this, it almost happened in 2005 when Hydrilla covered 3,500 acres of shoreline, coves, and creeks of the lake. If it hadn’t been brought under control by the Lake Gaston Weed Control Council supported by county governments, the LGA, and our friends at NC State, we would probably have a different situation now and many of you wouldn’t have purchased property at Lake Gaston. You can put me in that group when we bought here in 2015.

Unfortunately, we now have Lyngbya at the lake and the same players who successfully fought Hydrilla are now chasing Lyngbya. This is another reason why we are trying to grow our membership.

I get it you don’t have the time right now due to work and/or family or other obligations. Perhaps one day your situation will change, and you have the time to be more actively involved like I am thanks to retirement. However, certainly, you can take a few minutes to write the LGA a \$25.00 check to become an LGA member. Please do your part to join the LGA and have your financial commitment help keep this beautiful lake clean and safe.

Thanks for reading and I appreciate your understanding of why I felt it necessary to put all our cards on the table. The LGA is financially sound but just think about what we could accomplish if we could double our membership. Oh, again thanks to our active and soon-to-be (hopefully) new members.

The Marketing & Membership Committee meets on the third Thursday of the month at 8:30 am at the Lakeland Cultural Arts Center, 411 Mosby Avenue, Littleton, NC 27850, in Studio B. (Please park and enter from the rear of the building – use the LCAC Actor’s Studio Entrance – Studio B is the second door on the left-hand side after you enter the hallway.)

***Brian Goldsworthy***

***Marketing & Membership Chairman***

LGA Lifetime Member since 2015

[Committees@LGAncva.com](mailto:Committees@LGAncva.com)

(Please include “Marketing & Membership Committee” in the subject line of the email)

## From the desk of the Executive Director...

Greetings everyone! Well, summer as we all know and love it is finally upon us and in full swing; hope you're all enjoying your summertime fun on Lake Gaston, and please remember to play safe out there while spending time out on the water making all those wonderful memories with family and friends.

We had a great turnout at our **Annual Membership Meeting** on June 17<sup>th</sup>, and it was a huge success! Many thanks to everyone who pitched in to help make this event possible – your dedication to the LGA is very much appreciated!

The proposed Bylaw changes were approved by the LGA Board Members and the Membership, and the newly amended Bylaws are posted on our website for your review. Recap, our 1<sup>st</sup> Wednesday of the month meeting at Lake Gaston Baptist Church is now called our Monthly Membership Meeting, and our last Wednesday of the month meeting at Lakeland Cultural Arts Center is now called our Monthly Board Meeting – Please remember that our door is always open for all meetings, and everyone is welcome to attend.

Please give a warm welcome to our newest LGA Directors; Shannon McAllister of Halifax County, Anne Wood of Northampton County, and Lewis Mustian of Warren County. A unanimous vote was received by all members present, and the new Directors pledged to perform the responsibilities of their elected positions to the best of their ability and devote the time, talent, and work necessary to achieve success in this endeavor while upholding the Bylaws of the Lake Gaston Association; and we are grateful for your service!

Most importantly, we wish to extend a **“special thank you”** to all the LGA Businesses who donated gifts for our annual meeting. Our LGA Members were so surprised, excited, and pleased by your generosity and kindness, and the LGA is grateful for your support!...

As always, we wish you nothing but the best in health, safety, and the preservation of our most treasured asset, beautiful Lake Gaston. We appreciate you and thank you for your membership support!

**Beverly Summerfield**  
Executive Director

**P O Box 656**

**Henrico, NC 27842**

**(252) 586-6577**

**[www.LGAncva.com](http://www.LGAncva.com)**

## ***What the LGA does for our members...***

***As your primary voice on Lake Gaston, we...***

Identify lake issues affecting our members and pursue a resolution with the responsible organization(s).

### ***We do this by...***

- ▶ working to **conserve our lake's natural resources while protecting your recreational enjoyment** by monitoring and controlling pollution, sedimentation, and invasive species, supporting research and best management practices that maintain Lake Gaston's water quality for all users.
- ▶ **engaging** with our **local governments** to inform and influence decision-making in your best interest.
- ▶ supporting and **promoting safety** in our communities and on the water to encourage a safe environment.
- ▶ **advocating** and encouraging a clean, healthy, and **desirable lifestyle** along the roadsides and shorelines of beautiful Lake Gaston.
- ▶ **informing** and communicating on **Lake Gaston issues** via email advisories and bi-monthly Bulletins, emergency, weather, and water level alerts, open-door monthly meetings, website, social media, press releases, radio broadcasts, and public forums.

We accomplish this by building relationships and coordinating efforts with Dominion Energy, the Lake Gaston Weed Control Council, North Carolina and Virginia Wildlife Agencies, North Carolina State University, local Law Enforcement and Emergency Management, the Chamber of Commerce, the Lake Gaston Water Safety Council, LKG 911 Community Task Force, and many others.

## *LGA Recipe Roundup...*

### **Mushroom Pork Chops**

Pork chops with cream of mushroom soup are quick and easy, but very delicious. This will be one of your family's favorites and can be served with brown rice. It all comes together in just 40 minutes with minimal prep, and is a total weeknight dinner winner!

### **Ingredients**

- |   |   |
|---|---|
| 4 – Pork Chops                          | ½ pound fresh Mushrooms, sliced                   |
| - Salt and ground black pepper to taste | 1 – Onion, chopped                                |
| 1 pinch garlic salt, or to taste        | 1 – 10.75 oz can condensed Cream of Mushroom Soup |

### **Directions**

1. Season pork chops with salt, pepper, and garlic salt.
2. Brown pork chops over medium-high heat in a large nonstick skillet. Add mushrooms and onion, and sauté for one minute.
3. Pour soup over pork chops. Cover, reduce heat to medium-low, and simmer until pork chops are cooked through, approximately 20 to 30 minutes.
4. Serve with brown rice and steamed broccoli florets topped with light butter.

The Lake Gaston Association is looking for a responsible Administrator to organize our day-to-day operations. The Administrator provides support to the Board of Directors, manages daily activities, and is the primary public and stakeholder contact. This is a part time position.

The Administrator should be highly organized and able to multitask with ease. The Administrator's main tasks include responding to correspondence, maintaining files and records, booking meetings and events, posting web site articles and quarterly bulletin. Our ideal candidate has experience as an Office Administrator, Secretary or relevant administrative role. The candidates should also be familiar with QuickBooks and MS Office software, including word processors, spreadsheets, and presentations.

Ultimately, a successful Administrator should ensure the Association runs smoothly.

If interested, please submit a letter of interest and resume to [president@lgancva.com](mailto:president@lgancva.com).
