Northampton	Full Time	cresecent beach ??

If you or Your HOA pay for Private treatment of your shoreline, how large of an Area is treated for your property?

County	Full Time/Part Time	How Large of Area?
Northampton	Full Time	do not know
Warren	Full Time	Dont know ... check with Stan Brothers (252-257-4654) ... hes negotiated the contract for our subdivision and has that info
Brunswick	Full Time	Dont know the total acres, but it covers shoreline on coves in Siouan Shores off of the southern part of Poplar Creek
Warren	Part Time	Dont know.
Warren	Full Time	Five property owners pay for treatment. We pay taxes like everyone else but our cover isnt treat under tax funded plans, that isnt right.
Warren	Full Time	Half acre
Brunswick	Part Time	half acre
Brunswick	Part Time	half acre for my personal property
Warren	Full Time	HOA does about 5 acres. I pay for mine separately; about .3 acre.
Warren	Full Time	I am not really sure....they mostly spray the cove because if wasnt sprayed the boats in that area would not be able to get out into the lake
Halifax	Part Time	I do not know
Northampton	Part Time	I dont know, but it seems to be effective
Warren	Full Time	I dont know, we have an inside lot.
Halifax	Full Time	I dont know.
Halifax	Full Time	I think some property owners have gotten together in the past and paid for treatment, but we have been in a selected treatment area as part of the hydrilla treatment study the past several years.
Brunswick	Part Time	If don properly approx. 7500 sq. ft
Warren	Part Time	less than 1 acre
Halifax	Part Time	Less than 1/2 acre

If you or Your HOA pay for Private treatment of your shoreline, how large of an Area is treated for your property?

County	Full Time/Part Time	How Large of Area?
Northampton	Part Time	Most of the home owners collectively pay
Warren	Part Time	most of the shoreline
Mecklenburg	Part Time	My neighbor and I treat a 200 foot property line out to 30 feet.
Mecklenburg	Part Time	No idea ... sorry.
Warren	Full Time	Not known
Warren	Part Time	not sure
Warren	Part Time	not sure
Warren	Part Time	Not sure
Warren	(select one)	not sure
Northampton	Part Time	Not sure
Warren	Part Time	not sure
northampton	Full Time	not sure how much shore line I have, maybe an acre.
Northampton	Full Time	not sure of acres - shoreline front of property approximately 120 ft. some neighbors also get treatment as a group. HOA does not help with cost
Warren	Part Time	not sure of the acreage, but represents our entire cove which is 13 lots on it
Northampton	Part Time	Not sure of the total acres but our entire cove is treated at once.
Northampton	Part Time	Not sure, essentially the entire subdivision of Windy Pointe
Warren	Part Time	Not sure. Probably about 8 owners collaborate
Halifax	Part Time	Not sure. It is done in conjunction with you.
Warren	Part Time	one
Warren	Part Time	Pine Bluff B/Pasturegate Cove. not sure of acreage - perhaps 5 acres?
Warren	Full Time	several

If you or Your HOA pay for Private treatment of your shoreline, how large of an Area is treated for your property?

County	Full Time/Part Time	How Large of Area?
Halifax	(select one)	Several land owners have gone in together in past years but I dont know the acreage area. Also in the above questions, I would need more info on aquatic vegetation before I could make a decision to plant.
Warren	Part Time	Several of the neighbors pay together to have the area treated.
Mecklenburg	Full Time	Shoreline at Eaton Ferry Estates
Northampton	Part Time	small cove - share costs
Northampton	Part Time	the area of those who particiate
Warren	Full Time	The entire shore line of Eatons Ferry Estates is treated every year, main lake and coves unless it is treated by LGWC that year
Warren	Full Time	The entire subdivision shoreline
Warren	Part Time	The neighbors on our creek go together and have the shore line treated. It is not the home owners association just the homeowners that have gone together. 300 feet of shore line
Warren	Part Time	The real answer for most of the "specific questions" is "I dont know" or "N/A," but those options werent available.
Mecklenburg	Full Time	There were approximately 12 homeowners that had contracted for weed control 3 years ago.
Mecklenburg	Full Time	There were approximately 12 homeowners that had contracted for weed control 3 years ago.
Halifax	Part Time	Total

If you or Your HOA pay for Private treatment of your shoreline, how large of an Area is treated for your property?

County	Full Time/Part Time	How Large of Area?
Northampton	Full Time	tried to get weed treatment--person never came--tried 3 times-gave up. Dont see wave action problems here but I hear people complain. Construction in our area very careful with erosion issues
Halifax	Part Time	Unsure
Warren	Part Time	Unsure - entire subdivision waterfront area
	Part Time	We already have a vegetative buffer to prevent run-off. Need to define aquatic vegetation to answer this question.
Halifax	Part Time	We already have a vegetative buffer to prevent run-off. Need to define aquatic vegetation to answer this question.
	Part Time	We already have water willow growing in front of our seawall. We dont like it because we are afraid that it hides snakes, but we have left it alone. Also dont know what other aquatic vegetation you might be suggesting, or what a vegetative buffer consists of.
Warren	Full Time	We do it as only a part of the total HOA, actually 13 cove neighbors and their respective water front
Halifax	Part Time	We treat around 1.2 miles of shoreline and around 7 acres
Brunswick	Full Time	We treat our own (no help from association or county) .93 ft
