

**LGA's Effectiveness on GOVERNMENT** - (e.g., influence / petition government to improve lake area services, support lake-protective planning and zoning, control taxes)

| County                     | Full / Part Time | Ranking           | Comments Government   |
|----------------------------|------------------|-------------------|---|
| Northampton NC             | Part Time        | Excellent         | Appears to be well respected by local governments   |
| Brunswick VA               | Part Time        | Good              | AS far as I can tell LGA is on top of the issues  |
| Warren NC                  | Full Time        | Good              | Control property taxes.   |
| Warren NC                  | Part Time        | Fair              | Control taxes.  |
| Northampton NC             | Full Time        | Good              | Control taxes.  |
| Warren NC                  | Part Time        | Fair              | Current system of assessments very unfair and based upon outdated information. Wish Warren County homeowners on lake had stronger advocacy.   |
| Halifax NC                 | Part Time        | Unsure            | Dont know.  |
| Warren NC                  | Part Time        | Unsure            | I have not paid attention to what you do.   |
| Warren NC & Northampton NC | Part Time        | Good              | I like that you invite our representatives to meetings to up date the residents and to let them hear from residents.  |
| Northampton NC             | (select one)     | refer Not to Answ | I think you are stepping over the line when you try to influence planning and zoning issues.  |
| Warren NC                  | Part Time        | Good              | I think your efforts are good, but I dont think the counties are very supportive or have a very good understanding of the potential income that could come from supporting the lake area. |
| Northampton NC             | Full Time        | Good              | Membership needs to be encouraged to attend local county government meetings and speak about issues which will increase financial budgets.  |
| Halifax NC                 | Full Time        | Poor              | The reasons given for objecting to the Halifax County School tax were spurious and meretricious.  |
| Brunswick VA               | Part Time        | Fair              | Used to think LGA had more power, but not so sure anymore.  |
| Warren NC                  | Full Time        | Fair              | What are we doing about taxes that are increasing (all taxes), and renting in HOAs and outside HOAs. Why cant we get a Walmart, and some good restaurants. Why cant I get DSL???          |
| Northampton NC             | Full Time        | Excellent         | Working with government for weed funding and police protection has been excellent.  |
| Warren NC                  | Part Time        | Good              | Your stand on Halifax Schools was excellent   |
