

LGA Survey Comments on Water Safety - (e.g., support of boating safety, operations, buoy maintenance)

County	Full / Part Time	Rating	Comments Water Safety
Mecklenburg, VA	Full Time	Excellent	affected timely boater ed legislation.....keep bouys lit
Mecklenburg, VA	Full Time	Poor	Buoy maintenance is very poor. Lights are out, bouys have moved, not protecting stumps and rock ledges. People unfamiliar risk serious injury.
Warren, NC	Full Time	Good	Buoy maintenance seems sporadic.
Warren, NC	Part Time	Unsure	Concerned about jet skis and boats speeding too near our dock. Children present.
Northampton, NC	Part Time	Good	does a great job at maintaining bouys
Warren, NC	Full Time	Excellent	excellent work on boater safety laws
Warren, NC	Part Time	Excellent	Expanded authority for volunteer LGA reps on the water would enhance the safety of water activities.
Warren, NC	Full Time	Excellent	great job this year
Mecklenburg, VA	Part Time	Fair	I don't see the association here at all, It's getting crazy on the lake and we see many instances of unsafe practices each week.
Northampton, NC	Part Time	Fair	I question how much of ths area is overseen by the LGA versus the LGWSC.
Mecklenburg, VA	Part Time	Good	I specially am concerned with safety especially boaters coming too close to docks.
Northampton, NC	Part Time	Good	I think LGA has been involved in requiring licensing/education
Brunswick, VA	Part Time	Good	I'd like to see more safety clases at more locations
Warren, NC	Full Time	Good	Idiots still on the lake. Wakes to high and boats to close to docks.
Brunswick, VA	Full Time	Excellent	It's clearly as important to you as it is to us!
Brunswick, VA	Part Time	Fair	mandatory boating license - small cove no wake buoy
Northampton, NC	Part Time	Good	Mandatory classes needed for PWC idiots, observation of no wake zones
Northampton, NC	Full Time	Fair	More "No Wake" signs and enforcement

LGA Survey Comments on Water Safety - (e.g., support of boating safety, operations, buoy maintenance)

County	Full / Part Time	Rating	Comments Water Safety
Northampton, NC	Part Time	Fair	More people, more boaters, more accidents or unsafe conditions
Northampton, NC	Full Time	Good	Need more boat/pwc "NO WAKE" control. WAKES effect wildlife, erosion, property, and safety of swimmers - particularly young children..
Warren, NC	Full Time	Good	No Comment
Brunswick, VA	Part Time	Poor	no ski area was bad idea on popular cheek, should have been speed zone if anything.
Northampton, NC	Full Time	Excellent	Re: Waverunner - I took photos in our cove, sent them to Gazette. Heard nothing.
Warren, NC	Full Time	Excellent	Rentals should have posting of rules at docks or ramps.
Warren, NC	Part Time	Poor	Shouldn't be age 25 and below to operate PWC or boats.
Warren, NC	Full Time	Good	Some loose buoys have never been picked up. More control of wave riders would be helpful.
Warren, NC	Part Time	Fair	Too many PWC and too many boats without mufflers
Halifax, NC	Full Time	Unsure	Unsure LGA's full effectiveness, but I would like to see speed limits imposed.
Halifax, NC	Part Time	Unsure	We need to be out of state visitor friendly with any new laws.
Brunswick, VA	Full Time	Fair	While the LGA is not in control of bouy maintenance, the bouys remain in very poor condition therefore the LGA has had little to no effectiveness on the responsible entity for the necessary repairs and maintenance.
Northampton, NC	Full Time	Good	Wildlife officers seem to harass more than help. They should correct inappropriate behavior not stop boats for "safety violations"
Warren, NC	Full Time	Good	WSC seems to take the lead, but LGA is very supportive (lots of cross-members)
Northampton, NC	Full Time	Excellent	Yes, we know all the right people to call when we have a problem
